

Instructions for Candidates

PhD Admissions, Autumn 2026

Department of Aerospace Engineering, IIT Bombay

The link with the final slots will be uploaded on the website.

1. The interviews are scheduled on the **4th, 5th and 6th of May 2026. Please be available for the meeting as per your interview schedule slot.**
2. All candidates who have selected a particular specialization have been added as guests to the meeting (link shared below) using your registered email ID. This meeting is a common waiting area for candidates. You will be redirected to a different interview meeting by the moderators.
3. Clicking on the link shared below will take you to a sign in page. Please use the **same email ID** that you used for registration.
4. Please sign in at least **15 minutes** before your slot(s) assigned to you to complete the registration process.
5. Once you have signed in, you will see a meeting already going on. Wait for the moderator to let you in. Considering the significant workload on moderators, you may have to wait a bit longer than usual. Kindly be patient.
6. Simply click on the **Join** button to enter the meeting.
7. Please keep your **audio/video on** when you join.
8. Please wait in the common waiting area. **The moderator will direct you to an interview room.**
9. When your name is announced, you will be asked to join a new meeting link shared by the moderator. **Leave the common waiting area and join the other meeting.**
10. You will see the faculty members already present in the online meeting platform.
11. Once you **finish the interview**, please **leave the meeting.**
12. You can join the meeting in the common waiting area with the other candidates or leave.

The interview will be based on the UG/PG curriculum relevant to your chosen area of research or your work experience. Please have the required documents, like degree certificate/sponsorship letter etc. ready on the interview date.
